Fore-Blessings (Bracha Rishona): Which Level To Say

In general, say the highest-level fore-blessing (*bracha rishona*) on a food.

NOTE

As some foods get processed by cooking or by other means, they qualify for a higher-level blessing.

EXAMPLES

- Raw, rolled oats only merit the fore-blessing of *she'hakol*. But once the oats are cooked, the blessing of *borei minei mezonot* applies.
 - NOTE Raw oats could get the fore-blessing <u>borei pri ha'adama</u>, since they grow directly in the earth. But because oats are not normally considered edible when raw, they get demoted to *she'hakol*.
- A raw grape or raisin gets the blessing of *borei pri ha'eitz*. But once made into wine or grape juice, it merits *borei pri ha'gafen*.
