Fore-Blessing (Bracha Rishona): Liquid from Food

When you have said a fore-blessing on one type of food, such as <u>borei pri ha'adama</u> on vegetables, you do not need to say *she'hakol* on the liquid that remains after having eaten the solid vegetables.

REASON NOTE The fore-blessing covers all components, even if they are not the same classification. If you ate the vegetables, said the after-blessing, and then later came back and drank the liquid, you would need to say *she'hakol*.
