

Yahrzeit: Candle: How Many Candles: One per Household

For a deceased parent on a yahrzeit or yizkor day, only one candle needs to be lit in each home where any of a parent's children are at sunset of that evening.

EXAMPLES

- If two siblings (or more) are in the same residence on the night of the yahrzeit, just light one yahrzeit candle.
- If all siblings are in different homes, each sibling lights one yahrzeit candle.
