Jewish Festivals: Kiddush: Drinking Kiddush Wine and then Drinking Later in Meal

If you drank any amount of $\underline{kiddush}$ wine (or grape juice), you do not say $\underline{borei\ pri\ ha'gafen}$ over wine or grape juice later in the meal (but you may have to say $\underline{ha'tov\ v'ha'meitiv}$ if the wine is better than the $\underline{kiddush}$ wine).
