Jewish Festivals: Borei Pri HaGafen after Not Drinking Kiddush Wine

You must say <u>borei pri ha'gafen</u> if you want to drink wine (or grape juice) after you heard <u>kiddush</u> and then:

- Spoke without drinking any amount of *kiddush* beverage, and/or
- Spoke before the *kiddush* leader drank at least 2 fl. oz. (59 ml) of wine (or grape juice) from his cup, and/or
- Heard someone make kiddush over a she'hakol, even if you drank from that cup.
