

Jewish Festivals: Musaf: Additions for Sacrifices: Sukkot: In Eretz Yisrael

In Eretz Yisrael, read only the line for the actual (correct) day.

NOTE After the lines about the sacrifices, say u'minchatam v'niskeichem. If you are outside of Eretz Yisrael, you will need to say u'minchatam v'niskeichem twice:

EXAMPLE

- Say the line for the prior day's sacrifices and then say u'minchatam v'niskeichem.
- Then say the line for the sacrifices for the day you are at and, again, say u'minchatam v'niskeichem.
