Lulav: Husband and Wife

A <u>man</u>'s wife does not own the <u>lulay</u> with him (and a wife's husband does not own her <u>lulay</u>), but it is assumed that each gives their <u>lulay</u> to the other (on the first and second day of <u>Sukkot</u>) as a gift with a condition that the recipient will give the <u>lulay</u> back to the other spouse as a gift once finished.
