Kashrut: Dairy: Common Milk (Chalav Stam)

For *milk* to be *kosher*, it must come from a *kosher* animal. You may use common *milk* (*milk* sold in conventional food stores without any *kosher* supervision) in the US.

REASON	The US government enforces laws that permit only cow's <i>milk</i> to be sold as common
	milk.
NOTE	If a country does not have such laws or does not strictly enforce them, you may not
	rely on that leniency and may only use <i>milk</i> supervised by Jews (<i>chalav Yisrael</i>).
NOTE	Some people drink only chalav Yisrael milk even in the US.
