## Pour Revi'it for Shabbat Kiddush

As on <u>Jewish festivals</u>, the minimum volume of <u>kiddush</u> beverage on which you may say <u>Shabbat kiddush</u> (or <u>havdala</u>) is a <u>revi'it</u>, as follows:

- 4 fl. oz. (119 ml) for <u>d'oraita</u> cases such as <u>Shabbat</u> (or first-day <u>Jewish festival</u>) evening <u>kiddush</u>, and
- 3.3 fl. oz. (99 ml) for *d'rabanan* cases such as *kiddush* for *Shabbat* lunch.
