Bread

Bread made in not-kosher bakeries can be assumed to be kosher ONLY if:

- 1. It has no ingredients other than flour, water, yeast, and salt. French baguettes and some other breads are OK, as are many breads baked in other countries of the same type.
- 2. It is baked on a hearth and not in a pan.

NOTE On a hearth, any non-kosher ingredients from other baked foods get burned up.
