

JEWISH FESTIVALS: ELECTRICITY

Jewish Festivals: Turning Off Electrical Devices

You may not turn off or disconnect an operating electrical device (such as an alarm, appliance, light, oven, or any machinery) on *Jewish festivals*, even using a *shinui* and even if the noise will prevent you from sleeping. You may ask a non-Jew to turn it off, but you may not ask a Jew, not even a child below *bar/bat mitzva* age.

NOTE If the device catches on fire, you may call the fire department or unplug it. However, there must be an actual danger or actual fire in order for you to disconnect it yourself. You may not disconnect the device if there is only a chance that it will catch fire, unless an indirect means (*grama*) is possible (in which case, it would be permissible; consult a *rabbi*).

Jewish Festivals: Electric Eyes

On *Jewish festivals*, when walking into the path of an electric eye:

- You may walk into one that prevents a door from closing.
- You may not walk into one that causes the door to open.
