JEWISH FESTIVALS: SHACHARIT: EATING BEFORE

Eating before Making Jewish Festival Kiddush

As on *Shabbat*, you may eat non-*mezonot* and non-bread food before praying *Jewish festival shacharit* and without making *kiddush*, in order to avoid hunger or hypoglycemia (low blood sugar).

Women and Minimum Prayer before Jewish Festival Kiddush

The minimum prayer that a woman should say on <u>Jewish festival</u> (or <u>Shabbat</u>) morning before saying *kiddush* and eating some food is <u>birchot ha'shachar</u>.

Eating before Jewish Festival Midday

As on Shabbat, don't fast on Jewish festivals (except Yom Kippur!) past halachic midday.

- If you will not finish *shacharit* before *halachic midday*, you should eat or drink earlier in the day, even before you begin *shacharit*—water can be sufficient for this purpose.
- If you will finish shacharit, but not musaf, by halachic midday:
 - Finish shacharit,
 - Make kiddush,
 - Eat some *mezonot*, and then
 - Return to say musaf.
