

# KASHRUT: ANIMALS: CONCEPTS: MASORET

## Beheimot Do Not Need Masoret

*Beheimot* (4-legged *kosher* animals) do not need *masoret* (tradition passed from previous generations that something was *kosher*) to be identified as *kosher*; they just need to have split hooves and to chew their cud.

## Fowl Must Have Masoret

Fowl must have *masoret* to be identified as *kosher*.
