## **MEZUZA: PARTS**

## Mezuza: God's Name on Outside

A *mezuza* scroll should be rolled from left to right so that God's name appears on the outside.

## **Mezuza: Covers**

<u>Mezuzot</u> are not required by <u>halacha</u> to have covers (*sheitels*). Covers are only for decorating and protecting the parchment; their use is recommended in the *Shulchan Aruch*.

NOTE Covers may be necessary to protect the *mezuzot* where the weather is humid, hot, or rainy.
