SEDER: THREE MATZAS

Introduction to Three Matzas (Matzot)

The *seder* table also has a stack of three matzas (*matzot*), representing, among other meanings:

- Cohen-Levi-Yisrael: The three divisions of Jews
- Abraham-Isaac-Jacob: The three forefathers

These <u>matzot</u> are used later in the <u>seder</u> for the steps of <u>Motzi</u> and <u>Matza</u> (top and middle <u>matzas</u>); the middle <u>matza</u> becomes the "<u>Afikoman</u>."
