

SHABBAT: TREES

Shabbat: Tree Rope

You may only use a tree rope for swinging or climbing if separated from the tree by another entity, such as another rope, tire, or board.

Shabbat: Tree House

You may use a tree house on Shabbat only if both the tree house and access to it are completely separate from the tree. You might build such a tree house by putting tires on top of the tree branch and then building the house on top of the tires. The ladder or other access to the tree house must likewise be separated from the tree.

Shabbat: Walking between Trees/Bushes

You may walk between bushes or trees, even if they are close to each other, and you may use your body to make space for yourself to walk. But you may not push the trunks or branches away using your hand.

REASON The trees are muktza.
