

# Tzitzit: For What To Check

## Torn

In checking tzitzit, determine:

- Are any loops torn?
- Are 8 strings visible on each corner?

If you cannot see 7 strings due to one or more having been torn off, consult a rabbi.

## Tangled

There is no problem if tzitzit are tangled. However, to untangle them:

- Is a superior way to fulfill the mitzva, and
- Allows you to easily check them to see if there are 8 tzitziyot.

## Frizzy

If any tzitziyot are so frizzy that the individual tzitziyot cannot be distinguished, they are invalid (pasul).

**NOTE** To prevent frizziness during laundering, wrap the tzitziyot tightly in a rubber band before drying them in a dryer, or hang them to dry.

## NOTE

- If the hanging end of a tzitzit string breaks below the lowest knot, the string is kosher.
- If more than one string breaks, or if one string breaks above the lowest knot, consult a rabbi since the tzitzit may not be kosher.
