Talit Gadol: Color

A talit should be primarily white. Here are some details:

- A *talit gadol* should be either all white or white with black stripes. Avoid a very colorful *talit* that makes the white part look insignificant.
- Blue stripes used to be used: as with *techelet*, the blue reminds us of the sky, of God's throne (*kisei ha'kavod*), and of God.
- Even though the *talit* was originally supposed to have blue stripes, it is not the custom today to use blue stripes.
- Black stripes have no significance or importance.
