Talit Gadol: Amida

A *talit* is required only when saying the *amida* prayer, but the universal custom (for men who wear *talitot*!) is to wear the *talit* during the entire *shacharit* service.

NOTE A *talit* is worn for *shacharit*, *musaf*, and all day and night on *Yom Kippur*; it is not commonly worn for *mincha* or *ma'ariv* (except on *Yom Kippur*).
