

Retracting a Blessing after Third or Fourth Word

If you start an incorrect blessing:

- If you have said the third word (God's name), say lamdeini chukecha.
- If you have already said the third syllable of the fourth word (*elohei...*), say Yisrael avinu mei'olam v'ad olam.
- If you said more than the third syllable of the fourth word, say Baruch shem kevod malchuto l'olam va'ed.
