Retracting a Blessing after Third or Fourth Word

If you start an incorrect blessing:

- If you have said the third word (God's name), say *lamdeini chukecha*.
- If you have already said the third syllable of the fourth word (*elohei...*), say *Yisrael avinu mei'olam v'ad olam*.
- If you said more than the third syllable of the fourth word, say *Baruch shem kevod malchuto l'olam va'ed*.
