## **Tefilat HaDerech: When To Say: Starting Journey**

If you will certainly leave the city limits at some point in your journey, you may say <u>tefilat ha'derech</u> as soon as you start your journey (when you leave your house or get in your car, etc.).

EXAMPLE You may say <u>tefilat ha'derech</u> when leaving your house for a flight, but the optimal time is when the plane begins to taxi.
