Brit Mila: Delays: Shabbat/Jewish Festivals: Special Births

SITUATION A baby boy is born by caesarean section. The eighth day after the birth is <u>Shabbat</u> or a <u>Jewish festival</u>.

WHAT TO DO The <u>brit mila</u> must be delayed to at least the next day following that <u>Shabbat</u> or <u>Jewish festival</u>. (If the <u>mohel</u> or doctor says the baby is not healthy enough for a <u>brit</u>, the <u>brit</u> must be delayed even more.)
