Burial: Eretz Yisrael If Did Not Live There

You should not be buried in *Eretz Yisrael* if you could have lived in *Eretz Yisrael* but chose not to. If you could not live there or if you had a *heter* to not live there, it is OK to be buried there.

NOTE The reason to be buried in *Eretz Yisrael* is for Resurrection of the Dead (*techiyat ha'meitim*), which will only happen in *Eretz Yisrael*. But the entire world will eventually become *Eretz Yisrael*, so it is only an issue of time.
