Burial: Eretz Yisrael If Did Not Live There

You should not be buried in <u>Eretz Yisrael</u> if you could have lived in <u>Eretz Yisrael</u> but chose not to. If you could not live there or if you had a *heter* to not live there, it is OK to be buried there.

NOTE The reason to be buried in <u>Eretz Yisrael</u> is for Resurrection of the Dead (<u>techiyat ha'meitim</u>), which will only happen in <u>Eretz Yisrael</u>. But the entire world will eventually become <u>Eretz Yisrael</u>, so it is only an issue of time.
