Onen Traveling with Body

An *onen* who accompanies a body to a foreign country for burial may have two extra days (or more) of *onenut*. If the *onen* then returns home and joins other mourners in the *shiv'a* house, the *onen* may end *shiv'a* with the other family members. (For more details, see When *Shiv'a* (and *Shloshim*) Starts: Normal Days .)
