Shiv'a and Shloshim: Ended by Jewish Festivals

Shiv'a ends if a Jewish festival, Rosh Hashana, or Yom Kippur intervenes.

Shloshim ends if a Jewish festival, Rosh Hashana, or Yom Kippur intervenes.

If two of those holidays occur within the first seven days after burial, the first one will break *shiv'a* and the second one will break *shloshim*.

<u>Shimini Atseret</u> does not constitute a second day for breaking shiv'a or <u>shloshim</u> (it is considered to be part of <u>Sukkot</u> for this purpose).
