

Jewish Festivals: Ending: Havdala: How Much To Drink

To fulfill the commandment of havdala (or kiddush), the person making kiddush must drink at least 2 fl. oz. (59 ml) within 30 seconds from the kiddush cup. However, drinking at least 4 fl. oz. (119 ml--a revi'it) from the havdala cup within 30 seconds allows you to say bracha achrona.
