Jewish Festivals: Strengthening

You may not exercise on *Jewish festivals* to strengthen your body. You may exercise on *Jewish festivals* for enjoyment, for socializing, or other fun purposes if:

- No *melacha* is involved, and
- It does not appear to be for healing (*refu'a*) or health purposes.

EXAMPLE

You may run on *Jewish festivals* if you like to run. You may not run on *Jewish festivals* if you don't like running but would do it to lose weight or to get in shape.
