Laundry before Jewish Festivals

You should not do laundry on *chol ha'moed*.

REASON Due to a *takana* so people would do their laundry before each holiday and not wait

until chol ha'moed.

NOTE If you had already done the laundry before the <u>Jewish festival</u> began and now no clean

clothes remain:

• You may do laundry for babies and small children (3 years old or less) on *chol ha'moed*.

• You may not do laundry for adults.
