

Sukkot: Blessings: SheHecheyanu

First Night: Say she'hecheyanu after saying leishev ba'sukka (in kiddush), since she'hecheyanu covers the sukka and the Jewish festival.

Second Night: Say she'hecheyanu before leishev ba'sukka (since it only covers the Jewish festival itself).

NOTE There is no blessing on building a sukka; it is covered by the she'hecheyanu in the kiddush.
