How To Make a Car into a Sukka

To make a car into a sukka:

- Open two doors on the same side of the car and put *schach* on top/across the doors.
- Make sure the doors reach to within $10 \frac{1}{2}$ inches (26.7 cm) of the ground or curb (so you might need to park at a curb).
- Make sure the *schach* over the doors is at least 40 inches (1 m) above the curb.
