Yom Kippur: Delaying Start Past Candle Lighting

Lighting the candles starts the holiday of <u>Yom Kippur</u>. If you want to start the holiday later, you must:

- Make a condition when lighting candles that you are not yet starting the holiday (by saying "I am lighting *Yom Kippur* candles but not starting *Yom Kippur* until 7 minutes before sunset"-this may only be done in urgent situations) and
- Omit the *she'hecheyanu* blessing at candle lighting. Men say *she'hecheyanu* later (in *kol nidre*).

NOTE Women then say <u>she'hecheyanu</u> at least 7 minutes before sunset! (One may not make a condition for *she'hecheyanu*!)

NOTE If a woman lit candles for <u>Yom Kippur</u> more than 7 minutes before sunset (as is normally done at 18 or even 40 minutes before sunset), but made a condition (<u>tenai</u>) that she would still eat or do <u>melacha</u> until somewhat later, she must still stop eating and doing <u>melacha</u> by no later than 7 minutes before sunset.
