Yom Kippur: Ending: Havdala

After *Yom Kippur*, say the full *havdala*.

NOTE You must light a candle from a flame that was burning since before *Yom Kippur* began. If you do not have one, skip the blessing on the flame.
If *Shabbat* coincides with *Yom Kippur*, you should light the candle from a flame that was burning from before *Shabbat* began. If you do not have one, you may light a new flame after *Shabbat* and *Yom Kippur* are over. Don't say the blessing on spices.
