Tefilin: Checking: When

It is customary to check *tefilin* twice in each seven year period. *Tefilin* do not usually require checking, but you should periodically check:

- *Tefilin* of the type that can become *pasul* (due to white-washed parchment).
- *Tefilin* that are moved a lot, such as from place to place where there are large changes in temperature.
- *Tefilin* in humid climates, such as Florida.

NOTE Ask a *sofer* for advice about any of these cases.
