Kashrut: Dairy: Chalav Yisrael

Chalav Yisrael is *milk* or *milk* products for which the milking was supervised by a religious Jew. *Chalav Yisrael* applies to *milk*, cream, and *milk* solids/dried *milk*. The only *milk* derivatives that are not subject to restrictions of *chalav Yisrael* are whey and cheese. But they must still be *kosher*.

NOTE Cooking *kosher*, non-*chalav Yisrael dairy* foods does not render the utensil non-*kosher*, even for someone who only eats *chalav Yisrael*.
