

Kashrut: Dairy/Meat: Physical Separations: Dairy and Meat on Table

- SITUATION** Two eat at the same table, one person is eating dairy and the other, meat.
- WHAT TO DO** Separate the dairy and meat-containing foods using separate placemats or any type of physical barrier.
- NOTE** You do not need to use a separator if the people at the table are strangers to each other; the separation is needed only if they know each other from before.
- REASON** Separation serves as a reminder not to eat the opposite-gender food.
