Introduction to Kashrut: Dairy/Meat: Baking at Same Time

Five factors affect cooking separate pans of <u>dairy</u> and meat in an oven at the same time (these are all <u>b'di'avad</u> cases):

• Covered

Is either pan (or both) covered?

• Outside Clean and Dry

Are both pans clean and dry on the outside?

• Food Non-Liquid ("Solid")

Are the contents of one or both of them non-liquid (solid before OR after cooking OR both)? That is, one or both are non-liquid ("solid") at:

- The beginning of the cooking,
- The end of the cooking, OR
- Both beginning and end of cooking.

• Pans Touching

Are the pans touching?

• Spicy/Charif

Are the contents spicy/charif?
