Kadosh in U'Va L'Tzion with the Minyan

Say <u>kadosh</u> three times in <u>u'va l'tzion</u> together with the <u>minyan</u> in order to mimic the angels who say <u>kadosh</u> together with other angels.

NOTE You should interrupt what you are saying as long as it is permissible to do so, such as before *baruch she'amar* or after you have finished your *amida*.
