How To Fill the Havdala Cup

For <u>havdala</u>, pour at least a <u>revi'it</u> (4 fl. oz., or 119 ml) for enough wine (or other beverage being used) to overfill the cup. This is a non-binding custom, not a <u>halacha</u>.

REASON Doing so is a symbol of blessing (<u>siman bracha</u>) that we are so rich that the wine or other drink that we spill is not important. Don't overfill your cup if you are using wine from a <u>shmita</u> year!
