Key Ring with House and Car Keys

If you keep your house key on a key ring with your car keys and you are within a private domain or an *eruv*, you may either:

- Remove the house key (even on *Shabbat*), or
- Carry the entire set of keys on the ring with you.

REASON The key ring and all of the attached keys are not *muktza* as long as they are on the key ring with the house key.
