Introduction to Torah Study

Studying *Torah* is a basic requirement for all Jews and such study is considered to be a prestigious commandment (*Torah* study is as important as doing all the other *mitzvot*: *tabnud Torah k'negged kulam*). Setting time for *Torah* study (*k'viat zman l'Torah*) means that we show how important *Torah* study is by setting a specific time each day and a specific duration for such study.

But all commandments that you must do (<u>mitzvot aseh</u>) take precedence over studying <u>Torah</u>. That is, you may NOT ignore the need to do another positive commandment because you are studying!

Minimum Required Torah Study

The minimum requirements for Jews to learn:

- Men: All parts of the *Torah* plus whatever *halacha* is relevant for them.
 - NOTE The most important subjects for men to study are whatever is practical for them in their lives
- Women: All halachot relevant for them, and hashkafa.
