

Changing Your Customs (Minhag) in New Community

When moving to a community with customs different from your own, adopt the customs of your new community but ONLY:

- If you intend to stay in that new community, and
- If the entire community follows the same customs.

NOTE An Ashkenazi who moves to a Sefardi community could eat kitniyot on *Passover* but would have to wake up extremely early for selichot and say them for the month of Elul, so think carefully about the trade-off!
