JEWISH FESTIVALS: BRUSHING TEETH

Jewish Festivals: Water, Tooth Powder, Toothwashing Liquid

You may use water, tooth powder, and toothwashing liquid on *Jewish festivals*. But, to avoid squeezing the toothbrush bristles, you must put the water or toothwashing liquid into your mouth and not on the brush.

Jewish Festivals: Flossing Teeth

You may floss your teeth on *Jewish festivals* as long as your gums do not bleed.

Jewish Festivals: Cutting Floss

You may not cut floss on *Jewish festivals*, so it is best to cut the floss before the festival starts.

NOTE Even if you did not cut the floss ahead of time, you may still pull out a length of floss and clean your teeth (but be careful not to cut off the floss when you are finished.)
