JEWISH FESTIVALS: FOLDING CLOTHES

Jewish Festivals: Folding Clothes on Existing Crease

Don't fold clothes (including a talit) on an existing crease on Jewish festivals.

Jewish Festivals: Folding Clothes on New Crease

You may fold clothes on <u>Jewish festivals</u> by making a new crease, but only if there is already an existing one on the garment. If there is not a crease from before you used the garment, you may not make one.

REASON This avoids smoothing out clothing (a forbidden action on <u>Jewish festivals</u> and <u>Shabbat</u>).
