

# KASHRUT: DAIRY/MEAT: DISHWASHERS

## Kashrut: Dairy/Meat: Dishwashers: Intentional Mixing of Utensils

You may not intentionally put a pareve utensil in a dishwasher that contains dairy or meat dishes. If you do, the formerly pareve utensil will take the gender of the other dishes, unless it is of glass, Pyrex, or other materials that do not take on gender when in hot water.

## Kashrut: Dairy/Meat: Dishwashers: Accidental Mix-up

**SITUATION** After washing a load of utensils of one gender in your dishwasher, you find an item of the opposite gender in your dishwasher.

### STATUS

- The single item is non-kosher.
- The remaining items will most likely be kosher (as long as the single item is less than 1/60th of the total volume of items and water in the dishwasher).

## Kashrut: Dairy/Meat: Dishwashers: Neutral/Pareve Item

You may not wash a neutral/ pareve dish in a meat or milk dishwasher--even if there are no dirty dishes with milk or meat on them and even if there are no other dishes in the dishwasher. If you did, the neutral/pareve dish may have become the gender of the dishwasher, but consult a rabbi for leniencies.

**SITUATION** You have a meat or milk dishwasher and you washed a neutral/pareve utensil in it.

**WHAT TO DO** If the dishwasher has dirty dishes containing milk or meat food, the neutral/pareve utensil will become that gender. However, if the dishwasher does not have any dirty dishes with food of either gender on them and the dishwasher has not been used for at least 24 hours, the pareve dish will remain pareve.

**NOTE** This is a b'di'avad (after the fact) case. You may not intentionally (l'chatchila) wash the pareve utensil in a gendered dishwasher.
