Kashrut: Dairy/Meat: Physical Separations: Dairy and Meat on Table

SITUATION Two eat at the same table, one person is eating dairy and the other, meat.

WHAT TO DO Separate the dairy and meat-containing foods using separate placemats or any type of physical barrier.

NOTE You do not need to use a separator if the people at the table are strangers to each other; the separation is needed only if they know each other from before.

REASON Separation serves as a reminder not to eat the opposite-gender food.
