LULAV: BORROWING

Lulav: When You May Borrow

You may borrow a *lulav* on all days of *Sukkot* except the first day (or first two days outside of *Eretz Yisrael*). On the first (two) day(s), you may acquire a *lulav* and *etrog* by having a friend "give" them to you as a gift, even if you will later "give" them back to your friend, also as a gift.

NOTE If you intended to use someone else's *lulav* on the first day of *Sukkot*, it is considered as if the *lulav* is yours, even without doing the normal acquisition.

Lulav: Husband and Wife

A *man*'s wife does not own the *lulav* with him (and a wife's husband does not own her *lulav*), but it is assumed that each gives their *lulav* to the other (on the first and second day of *Sukkot*) as a gift with a condition that the recipient will give the *lulav* back to the other spouse as a gift once finished.
