LULAV: SETTING UP

To Set Up a Lulav

To set up a *lulav*: hold with spine facing you, with three myrtle branches (*hadassim)* on the right and two willow branches (*aravot*) on the left. It is customary to put the myrtle and willow branches into a holder made of palm leaves.

NOTE Before *Sukkot* begins, open any sealed plastic bags that contain the willow and myrtle branches, as you may not cut them open on the festival days (the first and second days outside of *Eretz Yisrael*).
