## **SHABBAT: GRINDING (TOCHEIN)**

## Grinding on Shabbat: How Finely You May Grind

You may not grind, grate, or even finely chop or dice food on *Shabbat*. You may not use a garlic press on *Shabbat*.

The minimum size before violating the <u>melacha</u> of <u>tochein</u> varies by the type of food. The resulting pieces must be somewhat larger than the size you would normally use in order to be permitted.

## **Grinding on Shabbat: Avocadoes**

You may crush or squash an avocado (such as when making guacamole) on Shabbat, but ONLY:

- Using a shinu'i (such as a spoon, knife, or spatula),
- Without using a specialized tool (such as a grinder, potato masher, or fork),
- If you eat it immediately after preparing it, and
- If you leave some pieces larger than you normally would.

NOTE If you intend for all pieces to be somewhat larger than usual but some end up small, it is OK.

## **Grinding on Shabbat: Eggs**

You may pulverize a cooked egg (such as a hard-boiled egg) on Shabbat but:

- You may not use a specialized utensil (you may use a fork), and
- You must eat it immediately.

NOTE No *shinu'i* is needed.
